CHARGING AND REMISSIONS POLICY

Introduction

1.1 All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual or group music tuition.

This policy has been formulated in accordance with Authority's guidance on: Charging for School Activities.

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

Responsibilities

The Governing Body of the School are responsible for determining the content of the policy and the Headteacher for implementation. Any determinations with respect to individual parents will be considered jointly by the Headteacher and Governing Body.

Prohibition of Charges

The Governing Body of the School recognise that the legislation prohibits charges for the following:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school;
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school;
- education provided on any trip that takes place during school hours;
- education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local education authority has arranged for pupils to be educated;
- transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school;
- transport provided in connection with an educational trip.

Voluntary contributions

- 2.1 When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it will include children whose parents have not paid any contribution. We do not treat these children differently from any others.
- 2.2 If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.
- 2.3 The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:
 - visits to museums;
 - sporting activities which require transport expenses;
 - outdoor adventure activities;
 - visits to the theatre;
 - school trips abroad;
 - musical / drama events in school.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher

3 Residential visits

- 3.1 The school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education expenses. However, we do make a charge to cover the costs of coach travel and board and lodging

4 Music tuition

- 4.1 All children study music as part of the normal school curriculum. We do not charge for this. All children are encouraged to join the school choir.
- 4.2 There is a charge for individual or group musical instrument tuition if this is not part of the National Curriculum. The peripatetic music teachers teach individual or small group lessons. We make a charge for these lessons. We give parents information about additional music tuition at the start of each academic year.

5 Swimming

- 5.1 The school organises swimming lessons for all children in Key Stage 2. These take place in school time and are part of the National Curriculum. We ask for a donation towards the transport costs for this activity.

6 Before and After School Club

- 6.1 The school offers a Before and After School Club which is charged on a flexible basis to suit our parents changing work patterns. Information about the charges can be obtained from Mrs Julie Galbraith, the B & A Care Manager
