

Year 4 Homework Autumn Term 1  
*Romans*  
*Teeth and the Digestive System*

**English**

Write a job description for a Roman Gladiator.

*Challenge: Include expanded noun phrases.*

Create a job advert to persuade people to join the Roman Army.

*Challenge: Include expanded noun phrases.*

Write a fact file about the Celts of Britannia.

*Use headings and sub-headings.*

Write a description about what it might have been like to see Mount Vesuvius erupt.

*Include fronted adverbials and a range of conjunctions.*

**Science**

Create a poster to persuade people to look after their teeth. Why is it important to take care of our teeth?

Draw a diagram of the mouth and label the teeth: molars, pre-molars, incisors and canines.

Draw and label a diagram of the digestive system.

Create a glossary of the key words for the digestive system.

**Computing**

Create a PowerPoint, on a topic of your choice, to present to the class.

Create a montage about The Ancient Romans or Celts.

You must complete **one piece of work** every week and hand it in on the following **Wednesday**.

You can find information books for Science, History and Geography in the local libraries or the school library as well as information online.

**Read at least once a day at home.**

**Keep practicing all of the times tables up to 12 x 12.**

**Practice your spellings for our spelling tests on Fridays.**

On the back of this sheet you will find lots of websites to help you.

**Maths**

Make 4 digit numbers and practice multiplying them by 10,100,1000.

Create some maths problems for your friends to try to solve.

**Art/DT**

Make a Roman shield and include a design for your own coat of arms.

Create a model of a Roman building.

Draw a Roman building.

**History and Geography**

Write your own message using the Roman alphabet.

Create a 'Roman passport'. What is your Anglo-Saxon's name, job, country of birth and reason they travelled to Britain?

Show the Roman towns on a map of the UK.

Draw a plan of your own settlement. Think about what natural resources you might need to have close by.

**Physical Activity**

Try out these activities and think about how they affect your energy levels. Choose a different one each day and compare the impact that they might have:

- Go for a walk with family or friends
- Go for a bike ride with family or friends
- Go swimming
- Do some gardening
- Play 'Just Dance' for 30 minutes
- Try some yoga and mindfulness
